Re: Erratum – Petition for Rulemaking RM-11429
Petition for Rulemaking to Establish Rules Governing Critical Infrastructure Industry Fixed Service Operations in the 14.0-14.5GHz Band

Dear Ms. Dortch:

On July 1, the Satellite Industry Association (SIA) filed an opposition to an application for review in the above referenced proceeding which, due to an administrative oversight, was not served on the party seeking review or on other parties to the proceeding. Service was effected today, consistent with the intent of the Commission's Rules. Please accept the attached, corrected SIA opposition, which includes the Certificate of Service and Service list, as well as minor formatting corrections, and replaces SIA's opposition dated July 1, 2013.

Respectfully submitted,

/s/
